**Carlisle SynTec Systems Honors All Seasons Roofing, LLC
with 2022 Perfection Award**

(CARLISLE, PENNSYLVANIA) – Carlisle SynTec Systems, a leading manufacturer of single-ply roofing materials, recently honored All Seasons Roofing, LLC with its 2022 Perfection Award. The Perfection Award is an annual distinction that recognizes a small percentage of Carlisle’s most quality-oriented Authorized Applicators.

To qualify for the Perfection Award, Carlisle Authorized Applicators must complete a minimum number of warranted jobs and install a minimum amount of warranted square feet per year. Those with exceptional installation quality that results in a warranty claim performance that ranks in the top 5% of all U.S. and Canadian applicators are eligible to receive the Perfection Award. The Perfection Award is Carlisle’s way of recognizing its Authorized Applicators who are committed to perfection and quality on every Carlisle installation.

“It’s a pleasure to acknowledge and thank contractors who are committed to top-quality workmanship,” said Mike DuCharme, Carlisle’s Vice President of Marketing. “Perfection Award winners demonstrate their dedication to excellence on every installation, and All Seasons Roofing, LLC exemplifies this mindset,” DuCharme continued.

About Carlisle SynTec Systems: Carlisle SynTec Systems, headquartered in Carlisle, Pa., has been manufacturing single-ply membrane roofing systems for more than half a century. Dear Rachel,

On behalf of Carlisle SynTec, I would like to congratulate you and everyone at All Seasons Roofing LLC for recently receiving Carlisle's 2021 Excellence in Single-Ply (ESP) award. One of the most prestigious awards in the commercial roofing industry, ESP was created 24 years ago to identify and reward Carlisle's most successful contractors. ESP status is given out annually to a small percentage of Carlisle's most dedicated and professionally minded applicators. Selection into this elite group is based on a company's volume and quality of Carlisle single-ply roofing systems.

All Seasons Roofing LLC has installed and warranted 879,231 square feet of Carlisle's single-ply roofing systems over the years and has completed 33 Perfect 10 installations as judged by Carlisle's' final inspection process. It is obvious that your company is committed to installing Carlisle's roof systems with the utmost care.

It is this unyielding dedication to quality, coupled with the sheer volume of your installations that has allowed All Seasons Roofing LLC to receive the ESP distinction. You are one of a select group of authorized applicators that has received this honor, solidifying your elite status within our contractor recognition program.

Carlisle is grateful for the strong partnership we share with All Seasons Roofing LLC and we appreciate the hard work and dedication you have put forth, not only in 2020, but in previous years as well. Once again, I would like to congratulate you on your latest achievement and wish you the best moving forward.

Sincerely,

Nick Shears
President
